

# CAMAIEU

Photo HB-Henriot

*A variation of tones often used in Faience has existed since the 60's in HB-Henriot products. This style has been revived in the Camaieu collection which is available in blue and pink. It represents a wonderful choice for the modern or traditional home, creating a smart table for those who favor the signature HB-Henriot brush stroke.*

hand made and hand painted in France

# Camaïeu
