

HENRIOT

Photo HB-Henriot

When the "little Breton" was born at the Henriot factory in the 19th century, how could we imagine that one day, he would become the ambassador of Quimper faïence all over the world? Carefully hand-painted, each one of our characters lives on our traditions and represents our know-how. The Henriot decor is a registered design and only the "HB-Henriot" signature assures the original decor.

hand made and hand painted in France
